

DESPERATE HOUSECAT ABBY A759243

ABBY is feeling a little shy in the shelter environment, but she warms up quickly. She was brought to AAC with **AJAX** A759244 and **BABY** A759246 after living with the same owner since she was a kitten. **ABBY** LOVES a good belly rub, and is a lap cat. She is playful and mellow (outside of the shelter). **ABBY** is great with other cats, but we don't know how she is with dogs. She would probably do well with older children.
