

DESPERATE HOUSECAT ALEXIS ROSE A903963

ALEXIS ROSE could REALLY use a break from the shelter, either through adoption or through foster! She was brought to AAC because her owner could no longer take care of her. She is used to a quiet home, where she often hid, so **ALEXIS ROSE** qualifies as a **CACTUS CAT** - <http://austintexas.gov/page/cactus-cats>. Her favorite thing to do is to sit on a windowsill and observe the world outside. **ALEXIS ROSE** is receiving clicker training, and would benefit from moving into a home where she could continue her progress. She may enjoy the company of other felines.
