

DESPERATE HOUSECAT ANDY A743703

Are you an incredibly **SPECIAL** person, with a super soft spot for DHCs in need? Then we'd like you to consider becoming **ANDY's** ANGEL! She lived with one owner for **17** years, and after her owner passed away, she lived with a family member (they brought **ANDY** to AAC because they could no longer take care of her). **ANDY** is currently living in a foster home. Her **back legs are weak** and she is unable to climb into a litterbox (or walk on tile floors). She also has trouble grooming herself. However, **ANDY HAS** mastered the art of the 'pee pad', and she **LOVES** to be brushed. 😊 She is fine with other cats, but she wouldn't mind being the only pet. **ANDY's** best situation would be a home with a safe, simple layout. She'd also be very happy living in her own room with a sunny window.

- ◆ **19** years old, brown and white tabby, Maine Coon mix, spayed
- ◆ **INTAKE: 2/15/2017**
- ◆ **Front Declawed** – should live indoors only
- ◆ **Extremely sweet and affectionate**
- ◆ **Loves to be brushed and petted**
- ◆ **Fine with other cats; Wouldn't mind being the only pet in a quiet, safe home; Good with older children**
