

# DESPERATE HOUSECAT AYUMI A845678

**AYUMI** is super stressed in the shelter! She is surrounded by cats, which she hates. What she really likes are dogs!!! In her previous home, **AYUMI** lived with large and small dogs. Her owner described **AYUMI** as shy and independent. She hid a lot of the time, but that could be due to the young children in the home. **AYUMI** loves to play with toys, and is intrigued by bird videos. She perks up when she sees someone she knows, and allows them to pet her. **AYUMI** would do best in a quiet home with a dog buddy, and someone who will give her time to adapt.
