

DESPERATE HOUSECAT BARTOK A911541

We don't know a lot about **BARTOK** (he arrived at AAC as a stray), but we do know that he is a very nice cat! He's had a rough life on the streets, and now he's ready for an easy indoor life. **BARTOK** has been receiving treatment for a kitty cold, and he has been very easy to handle. This gentle guy enjoys being petted, and may be a lap cat (given the chance). **BARTOK** is so sweet, he may get along with other cats (after proper introductions), and may be fine around children.
