

DESPERATE HOUSECAT BEETHOVEN A871032

Handsome **BEETHOVEN** used to live outdoors as a community cat, but now that he's been introduced to the indoor life, he's **LOVIN'** it! Because he was shy with humans at first, **BEETHOVEN** qualified as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). Staff and volunteers worked with him through clicker training, and now he's a total love bug! **BEETHOVEN** really likes being petted, and he even wants belly rubs! **BEETHOVEN** is **VERY** comfortable with other cats, and is going to be happiest in a quiet home with a patient adopter and at least one cat buddy to hang out with.
