

DESPERATE HOUSECAT BLACKBERRY A880891

BLACKBERRY arrived at AAC with a number of other cats from the same home. Because they previously received little or no socialization, each of them needs time to acclimate to a new environment and to humans. At a minimum, in a new home, these cats need: a quiet and safe place, an experienced adopter (or foster) to continue working with them as they get more comfortable with humans, and a cat buddy to help them feel more confident. **BLACKBERRY** is a hider, but once she feels at ease in a new home (it may take awhile), she will probably be more playful and hide less.

- ◆ DOB: 11/17/2022, black, spayed
- ◆ INTAKE: 5/15/2023
- ◆ Shy and hides
- ◆ Needs extra time to transition
