Plush **BLANKET** came in as part of a large group surrendered in a hoarding situation. He's been very scared in the shelter. **BLANKET** likes hiding in boxes and can be petted (as long as you are patient and slow). This handsome guy is a cat's cat, but could develop into a people cat with the right home and adopter.

BLANKET likes other cats, and is unknown around dogs and children. **BLANKET** has only lived indoors, so would do best in a quiet inside home where he can be given love and lots of time to adjust to his new situation.
