

DESPERATE HOUSECAT BONNIE MAE 6396

BONNIE MAE is a delightful gal who has decided that she would like to spend her golden years as the only pet in the home. She's not too thrilled about living in the shelter environment, and we'd love to see her out of a kennel (she is available for adoption or foster). **BONNIE MAE** was previously in foster care, and totally thrived. She coexisted with other pets, but we now feel that she would do best as an only. She is playful at times, and loves to follow her people around. She is shy, and will need time to acclimate to a new environment. Once she does, **BONNIE MAE** is very affectionate and enjoys cuddling.
