

DESPERATE HOUSECAT CHANEL A888829

CHANEL was brought to AAC as a stray with several other cats (including **CODY**) after their owner passed away. She is very shy and has been stressed in the shelter environment, so **CHANEL** qualifies as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). She is going through clicker training, which helps her feel more confident. In fact, she loves to be brushed, just go slow. **CHANEL** will likely be happiest in a quiet home. She'll need time to adjust, but once she does, we believe she will bond well with her new family.
