

# DESPERATE HOUSECAT CHAPLIN A848077

**CHAPLIN** is SUPER! Super cute, super playful, super affectionate! He was brought to AAC as a stray, and was very constipated. He was friendly with staff, even during his 'not so pleasant' treatments. Now in a foster home, **CHAPLIN** is the sweetest cat ever! He is given 1/8 teaspoon of miralax once a day (mixed in his food), and now poops like a champ! 😊 **CHAPLIN** is not shy with new people, and he gets along great with other cats, wanting to be everyone's buddy. He'll follow you around, and puts himself in the center of the action.

**CHAPLIN** is a lap cat, and loves to be petted and held.
