

# DESPERATE HOUSECAT COLLINS A878014

**COLLINS** is a cat's cat! He LOVES other cats, and is usually found cuddling with one of his roommates. He's a former community cat, and because he's shy and timid, **COLLINS** qualifies as a CACTUS CAT (<http://austintexas.gov/page/cactus-cats>). He would do best being adopted into a home with at least one other cat buddy to hang with. This buddy will help him with his confidence as he gets used to being around humans. **COLLINS** needs to be adopted into a quiet home with a very patient adopter.
