

DESPERATE HOUSECAT CUBA A624331

- ◆ 5 yrs old, blue and white tabby, neutered
- ◆ INTAKE: 2/17/17
- ◆ Lap Cat; enjoys being brushed
- ◆ Gives love nips, not for young children
- ◆ Active and Playful
- ◆ Unknown around other cats and dogs

CUBA is a handsome fellow in the prime of his life. He is active, playful and is NOT fond of bothersome small children of the toddler- sized variety,(so if you have them or are planning to, this is not the cat for you).

CUBA would like a cat-savvy home where he can be adored as a cat should be, preferably with lots of playing, brushing and Temptations treats. **CUBA** is unknown with other cats and dogs, but might be okay with other pets with a slow and proper introduction.
