

DESPERATE HOUSECAT DOTTIE A903544

DOTTIE is a beautiful girl who was a very protective momma, and did a great job caring for her kittens and keeping them safe! The kids are grown, and now she's ready for her forever home. She took a little while to warm up in her foster home, but once she did, she became very affectionate. **DOTTIE** loves to be petted, and enjoys roaming the house. She is curious about other cats and should do well in a home with another feline. **DOTTIE** has no interest in being outdoors; the indoor life is just fine with her.
