

DESPERATE HOUSECAT ELLIE A881730

Are you looking for a strong independent woman to keep you company? **ELLIE** belly is your lady! She is low maintenance, and is easy to handle and to carry. **ELLIE** was very stressed in the shelter environment and wouldn't eat, so we moved her into a foster home. Now she's much more comfortable, she's eating, and she's enjoying life. **ELLIE** loves to be by her humans and have the occasional chat. She enjoys long naps in the sun, playing with toys, and head scratches from time to time. **ELLIE** will sit next to you while you binge Netflix and will follow you from room to room. She also gets along well with her foster kitty brother. **ELLIE** really enjoys her cat tunnel (check out her video) and loves to be involved in opening mail and packages. She is a sweetheart to the core and gives gentle licks and nibbles. She is looking for her forever human, so if you need a quirky, sassy, sweet lil lady, adopt **ELLIE** today!
