

DESPERATE HOUSECAT ELOUISA A842789

Like all good torties, **ELOUISA** has her moments of 'tortitude' (she can be feisty)! 😊 She was brought to AAC with her litter of kittens, and the family moved into a foster home. Now that the kittens have been adopted, it's **ELOUISA**'s turn to find her forever home. She is very playful, and although she's independent, **ELOUISA** likes to be near humans. She needs time to adjust to a new environment, but once she does, she likes being petted (when she's in the mood). Be sure to pet her the 'right' way, or you may get a warning (she'll nip or scratch). She's also great at imitating a baby seal. 😊 **ELOUISA** is living with another cat and a dog, and has been fine with them.
