

DESPERATE HOUSECAT ELSIE A742748

Do you like to be 'licked to death'? Looking for the quintessential 'lap cat'? Then **ELSIE**'s your gal! After 7 years with the same owner, she was brought to AAC because she didn't like the new puppy in the home. She was quickly adopted, but found herself back at the shelter four months later due to her new owner having severe allergies. **ELSIE** is **NOT** shy around humans, and is mellow, friendly, and affectionate. She enjoys a good belly rub and will sleep with you at night. **ELSIE** is very tolerant around other cats and is good with children.
