

DESPERATE HOUSECAT ETHEL A750443

ETHEL is a little shy and not very comfortable being in the shelter environment. She and her sister **LUCY** were brought to AAC because their owner's son developed allergies. She's been treated for a kitty cold, and is now ready to have a real home again. **ETHEL** prefers sitting in a sunny spot, and would absolutely love having a catio. She enjoys being petted and brushed, although in the shelter she's more reserved. **ETHEL** would like to be adopted with **LUCY**, but it is not required.
