

# DESPERATE HOUSECAT FAVA A858188

Pretty little **FAVA** and her littermates were brought to AAC as strays. When you first meet her, she is very shy and may hide. But once she knows you, she is easy to handle. Staff and volunteers have been working with **FAVA**, and if you are patient with her, she can be petted and may sit in your lap. She likes treats, which is a great way to win her over. 😊 **FAVA** is very comfortable with other cats, and would prefer to live in a quiet home with at least one cat buddy.
