

DESPERATE HOUSECAT FEZZIWIG 18311

FEZZIWIG used to live outdoors as a community cat, and now that he's inside, he's much safer and happier! He is **shy with people**, which qualifies him to be a **CACTUS CAT** - <http://austintexas.gov/page/cactus-cats>. He is **gaining confidence**, thanks to clicker training. **FEZZIWIG** adores other cats, and would probably be happiest in a home with at least one cat friend. The environment also needs to be quiet, with a **patient adopter who will help FEZZIWIG** continue his progress in trusting humans.
