

# DESPERATE HOUSECAT FIFTY #A722388

**FIFTY** is a cat's cat! But he likes humans too. 😊 He was brought to AAC as a stray, and is currently living in a foster home. **FIFTY** wants a kitty friend to play and cuddle with. He would also **LOVE** a human that he can chat with, and who will give him lots of affection (he gives headbutts and kisses until he gets the attention he wants). He **LOVES** to be held while he is sleeping. **FIFTY** is tolerant of dogs, and is not comfortable around young children.
