

FREDDIE

MERCURY

# DESPERATE HOUSECATS

**FREDDIE A865874 & MERCURY A865873**

**~~~MUST BE ADOPTED TOGETHER~~~**

**FREDDIE** and **MERCURY** have been together their entire lives, and have had only one owner. They were brought to AAC because their owner had too many cats and couldn't take care of them all. **FREDDIE** and **MERCURY** moved into a foster home to get a break from shelter life. Both of them are side snugglers who will cuddle with you on the couch (although **MERCURY** needs a little time to warm to new people). **FREDDIE** is outgoing and affectionate, and shares his opinions through chirps/trills. 😊 He is silly and playful, and likes to be near his people. **MERCURY** is sweet and introspective, and likes to keep an eye from his window perch on squirrels, birds, and people walking by. When he's not contemplating the meaning of life, he's playing with **FREDDIE**. 😊 Check out **FREDDIE** and **MERCURY** on Instagram @kitcatbnb
