

# DESPERATE HOUSECAT GANACHE A873215

**GANACHE** arrived at AAC with a number of other cats from the same home. Because they previously received little or no socialization, each of them needs time to acclimate to a new environment and to humans. At a minimum, in a new home, these cats need: a quiet and safe place, an experienced adopter (or foster) to continue working with them as they get more comfortable with humans, and a cat buddy to help them feel more confident. **GANACHE** is usually hiding alone or with some of his roommates.

- ◆ 2 years old, black (with a smidge of white), neutered
- ◆ INTAKE: 5/15/2023
- ◆ Would greatly benefit from a cat buddy in his new home
- ◆ Needs a good amount of time to be comfortable with humans
- ◆ Usually hiding
- ◆ Great with other cats; Unknown around dogs; Not recommended for young children

The adoption fee is **WAIVED** for **GANACHE** and **ALL Desperate Housecats!**
