

# DESPERATE HOUSECAT GENEVIEVE A757207

**GENEVIEVE** loves to cuddle with you while you sleep! This adorable girl was brought to AAC by her owner because they could no longer care for her. She's great with people - **GENEVIEVE** loves being picked up and held (even tightly against your chest). She's a huge fan of belly rubs. She purrs frequently (and loudly), indicating how content and happy she is. **GENEVIEVE** will meow when she wants something, and will come to you when you call her. She will rest her head on your shoulder when she's feeling comfortable. **GENEVIEVE** is good with other cats and respectful dogs. She is terrific with children.
