

DESPERATE HOUSECAT GILBERT A679959

GILBERT was adopted from AAC when he was a kitten, but he was brought back with another cat after their owner passed away. He did not do well in the shelter environment, so we moved him into a foster home. Although he is very shy, **GILBERT** is equally gentle. His foster family showers him with affection, and by being patient, he is **opening up and becoming more comfortable**. He enjoys chin scratches and being petted, and will snuggle next to you to keep the affection going. **GILBERT** loves treats and comes running when he hears the bag. He gets along well with other cats, and needs to be adopted into a quiet home with humans who will give him the time he needs to acclimate. The reward will be a gentle, super sweet companion.
