

DESPERATE HOUSECAT GORDO A748171

What you see is EXACTLY what you get! 😊 **GORDO** is the 'King of Naptime'! His other favorite activity is eating. **GORDO** was brought to AAC as a stray, and is very content to be fed, brushed occasionally, and provided with a sunny spot for napping. He's extremely sweet and calm. He doesn't mind a good belly rub, but he'll let you know when he's had enough attention. **GORDO** is fine around other cats.

- ◆ 5 years old, white and black, neutered
- ◆ INTAKE: 4/30/2017
- ◆ Calm and Lazy (in a good way)
- ◆ Likes belly rubs
- ◆ Enjoys being brushed
- ◆ Good with other cats; unknown around dogs; probably good with older children
