

DESPERATE HOUSECAT GRACIE A731956

My name is **GRACIE**. I was really shy when I first arrived at AAC, and when I first went home with my foster mom. But after just one week, I opened up and showed my fabulous personality. I am looking for my forever home, and I can't wait to meet you!

GRACIE loves playing with cat nip toys and chasing a laser beam, and her favorite thing to do at night is to lay on her foster mom's lap. She also loves to snuggle. **GRACIE** has extra toes, and her paws look like mittens. She's great about using a cardboard scratcher and has never clawed any furniture. **GRACIE** is currently the only pet in the house, and has not been around any children. Loud noises scare her, so she will be happiest in a quiet home.
