

DESPERATE HOUSECAT GRACIE A879656

It's a bird! It's a plane! It's SUPERCAT! **GRACIE** was brought to AAC after someone saw her fall 3 stories!!! She fractured her pelvis, and after being treated by the shelter DVMs, we moved her into a foster home for many weeks of kennel rest, followed by a slow return to normal activity. **GRACIE** made a full recovery, and doesn't even limp! She is very playful, and would love to have a cat buddy to hang out with. She loves affection, and can be a little shy when you first meet her. **GRACIE** may do well with children.
