

DESPERATE HOUSECAT

GRADY A672277

Sweet **GRADY** arrived at AAC via an emergency center with a traumatic leg injury which has since healed with the help of our terrific AAC vets. This big hunk loves belly rubs, is a talker and sports a handsome mustache!

This laid-back boy enjoys petting and being held and would make a great addition to a family. We don't know how he is with other cats or dogs, so a slow introduction to a home with other pets would be advisable. Isn't he awesome?

- ◆ 4 years old, orange/white, neutered
- ◆ INTAKE: 9/10/2017
- ◆ Handsome mustache cat!
