BIG PILE O'CATS!!!

Please be patient and **GO SLOW** with these cats and consider giving them a **chance** as a permanent or foster pet in your home. **This group came from a very large and sad hoarding situation** in August which left them extremely scared.

It is taking them a long time to adjust in the shelter. We can tell they want to be petted and loved, but they are so afraid that right now they run from everyone and hide together in a big pile under the bench. **Do you have space in your home and your heart for one (or more) of these sweet cats?**
