

DESPERATE HOUSECAT HAZEY A924774

Oh So Handsome **HAZEY** was living at a warehouse, but when he got his head stuck under a door, he was rescued and brought to AAC. He has made a **complete recovery**, but his trust in humans needs some work. Our team of volunteers and staff who specialize in working with **CACTUS CATS** - <http://austintexas.gov/page/cactus-cats> is helping **HAZEY** to adjust. He is very fearful, and doesn't move around a lot in the presence of people. He can be petted, but he tends to stay frozen in place. **HAZEY** needs a quiet environment, patience, and consistency. He is good with other cats, so a cat buddy who can help him build his confidence could be helpful.
