

DESPERATE HOUSECAT HERBIE #A705232

Handsome **HERBIE** is a HUGE HONEY of a feline! Brought to an emergency clinic as a stray and transferred to AAC, he was very sick with a URI. He moved into a foster home, and made a complete recovery. **HERBIE** recently had surgery to remove a benign fatty cyst, and received a full dental. Now he's feeling great and wants to be a member of your household. **HERBIE** is an **UBER** lap cat! He makes a great companion while you're watching tv, adores ear scratches and is very mellow. **HERBIE** is currently living with dogs and other cats, and gets along with everyone.
