

DESPERATE HOUSECAT HERMEI 18310

HERMEI was living outdoors as a community cat, and he's very glad to be indoors, where it's warm, and he's safe! He is **very shy**, so he's now a member of our **CACTUS CATS** - <http://austintexas.gov/page/cactus-cats>. Through clicker training, he is **learning that humans are good to have around**. **HERMEI** loves other cats, and his best situation will be a **quiet home** with at least one cat buddy. This friend can help him feel more confident around people. A **patient adopter** is also necessary, one who will help **HERMEI** as he continues to build trust.

- ◆ **DOB: 6/17/2025, orange tabby, neutered**
- ◆ **INTAKE: 11/20/2025**
- ◆ **Needs a patient adopter and a quiet home**
- ◆ **Will be happiest with a cat friend**
- ◆ **Timid and shy**
- ◆ **Great with other cats; Unknown with dogs; Not recommended for young children**

*The adoption fee is **WAIVED** for **HERMEI** and **ALL Desperate Housecats!**
