

DESPERATE HOUSECAT

INSPECTOR TATER TOT 23289

INSPECTOR TATER TOT is a former community cat who was living at an RV park and camp site. He is now much safer living indoors, although he may enjoy an indoor/outdoor environment. He loves looking out the windows, so a catio would also be ideal. A member of our **CACTUS CATS** program - <http://austintexas.gov/page/cactus-cats>, the **INSPECTOR** is very interested in treats. He has solved the case of the missing Churu, and will accept pets in moderation (he may even rub against your legs when he's comfortable with you). When he's not solving crimes, he loves to lounge, eat snacks, and watch birds. **INSPECTOR TATER TOT** will do best in a quiet home with a patient adopter, and perhaps a cat friend.
