

# DESPERATE HOUSECAT JUNIPER A921886

Meet **JUNIPER**! She is a sweet and sensitive girl who's looking for a calm and patient forever home. Naturally shy and cautious, she needs time and a safe, quiet space to adjust—but once she feels secure, her affectionate and loving nature begins to shine. Although **JUNIPER** may hide at first, or be hesitant to explore, she adores gentle pets and will show her trust with soft purrs and adorable biscuit-making. She's a total cuddle bug at heart—once she bonds with you, she loves curling up beside you or even napping in your arms. **JUNIPER** is also very bright and has a lot to say. She'll chirp and meow to let you know when she wants attention or a tasty treat (especially her beloved Churu or even a bit of steamed potato)! Because of her timid personality, **JUNIPER** would thrive best in a peaceful home with no other pets.
