

DESPERATE HOUSECAT KATIE A750337

KATIE is terribly CUTE! She was brought to AAC because her owner of 4 years moved and couldn't take her along. After several weeks at the shelter, we realized that **she really doesn't like other cats**, so we moved her into a foster home.

KATIE likes to be groomed (with a glove one instead of a brush) and usually doesn't mind being picked up and held.

KATIE may be a lap cat, and is very playful. She will greet you at the door, and 'stare' at you while you sleep. 😊 **KATIE** is afraid of dogs, but may be good with older children.
