

# DESPERATE HOUSECAT KATIE A750337

**KATIE** is terribly CUTE! She was brought to AAC because her owner of 4 years moved and couldn't take her along. She likes to be groomed (with a glove one instead of a brush) and usually doesn't mind being picked up and held. **KATIE** may be a lap cat, and is very playful. She will greet you at the door, and 'stare' at you while you sleep. 😊 **KATIE** may be fine with other cats and children, but seems to be afraid of dogs.
