

DESPERATE HOUSECAT KAYLA A724000

KAYLA first came to AAC when her only owner passed away in 2016. She was adopted, and then recently found herself back at the shelter as a stray! Very thin and confused, we moved her into a foster home. Now that she's relaxed and gained weight, **KAYLA** is ready for her forever home. She's a lap cat (or will sit next to you), enjoys being petted and brushed, and allows nail trims. **KAYLA** is a little shy and is not demanding, and she **LOVES** belly rubs! **KAYLA** is known to be good with other cats, dogs and children.
