

# DESPERATE HOUSECAT KINOKO A866400

Take a chance on **KINOKO**, and you will likely be rewarded with a wonderful companion! She arrived at AAC as a stray, very scared and untrusting. She became a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>), and is receiving clicker training. One very experienced volunteer has had **huge success** with **KINOKO**! By building trust (Churu is a great way to accomplish this), this volunteer can now **pet and hold her**. **KINOKO** needs to be the one to initiate the petting session, but it's worth the wait! She also **cuddles with other cats**, so she'll probably be happiest in a quiet home with at least one cat buddy to hang out with.
