

# DESPERATE HOUSECAT KISSY A756810

**KISSY** is doing amazingly well in the shelter environment given that she doesn't like other animals. She was brought to AAC because her owner could no longer take care of her.

**KISSY** is easy to handle and is very affectionate away from other pets. She may be a bit shy when you first meet her, but she warms up quickly. She is talkative, will follow you around, and may be a lap cat. **KISSY** may do well with older children.
