

DESPERATE HOUSECAT LARK A747503

LARK LOVES to be held like a baby! This gorgeous girl arrived at AAC as a stray with her young kittens, and the entire family lived in a foster home until the 'kids' were adopted. **LARK** is a lap cat, and really likes being petted just under her arms. She is very easy to handle, and wants to be near her humans. **LARK** is fine around other cats and is probably good with children.
