

DESPERATE HOUSECAT LARK A901158

LARK is a beautiful girl who has been a wonderful mom to her babies! The kids have been adopted, and now she's ready for her forever home. Her foster mom told us that of all the mamas that she has fostered, **LARK** is her favorite! She is mellow, playful, cuddly and affectionate. She's also very well behaved and doesn't eat houseplants. **LARK** loves looking out the window, and appreciates a nice breeze. She is fine with other cats, and has been wonderful with children (younger and older).
