

DESPERATE HOUSECAT LIAM A911483

Little **LIAM** is shy and a bit nervous at AAC, but he's starting to relax, and he loves to play! He qualifies as a CACTUS CAT - <http://austintexas.gov/page/cactus-cats>, and has benefited from clicker training. He'll give you a 'nose boop' for some Churu, and can often be petted. **LIAM** will even purr while being petted. He'll need some time to adjust to a new home with new people, but once he does, we think he'll be a wonderful companion. **LIAM** loves other cats, and would do best being adopted into a home where he has at least one cat friend.
