## LILY SPIKES A746129

**LILY SPIKES** has an adorable behavior – she growls when she’s being petted! 😊 But don’t let that fool you. She’s affectionate and loves the attention. **LILY SPIKES** was brought to AAC because her owner could no longer take care of her. She’s a little shy when you first meet her, but give her a lap and she melts. She’s so calm, **LILY SPIKES** may get along with other cats (given a proper introduction).
