

DESPERATE HOUSECAT LUCY A750444

We PROMISE that **LUCY** is NOT sticking her tongue out at you! She has a habit of doing that 'just for grins'. She and her sister **ETHEL** were brought to AAC because their owner's son developed allergies. She's been treated for a kitty cold, and is now ready to have a real home again. **LUCY** loves sitting in a sunny spot, and enjoys being petted and brushed. **LUCY** would like to be adopted with **ETHEL**, but it is not required.
