

DESPERATE HOUSECAT LUNA A749403

Stinkin' CUTE! **LUNA** arrived at AAC as a stray, and gave birth soon after her arrival. The entire family lived in a foster home until the 'kids left', and now **LUNA** wants her own family. She is shy with new people, but **once she trusts you, she will come up to you for affection, and will even sit in your lap.** She's playful and easy to handle. **LUNA** may be good around other cats, but we don't know how she is with dogs and children.
