

DESPERATE HOUSECAT MAGPIE A853635

Gorgeous **MAGPIE** was brought to AAC as a stray. She's learning that humans CAN be trusted, and she is going through clicker training. This qualifies her as a **CACTUS CAT** (<http://austintexas.gov/page/cactus-cats>). **MAGPIE** has made tremendous progress. Once she is comfortable with you, if you approach her slowly, you will be able to pet her. She even enjoys it! **MAGPIE** may even let you pick her up and hold her for a short time. This positive progress should continue in a home. She is playful (she's been seen playing with string toys), and is good with other cats.
