Sweet **MALING** lost her home when her owner got a dog and she's afraid of dogs. Sadly, the dog stayed and **MALING** is here, looking for a better home. This sweet, girl has a loud purr, is very affectionate and has a few simple requests: No children, no cats or dogs in her new home, please and thank you!

MALING is blind in her left eye and needs an indoor home. She's a good litter box and scratching post user and loves giving head butts. This plush and friendly girl is has lots of love to give to someone dedicated to her for life. Maybe that's you?
