

DESPERATE HOUSECAT MANDARIN A880873

MANDARIN arrived at AAC with a number of other cats from the same home. Because they previously received little or no socialization, each of them needs time to acclimate to a new environment and to humans. At a minimum, in a new home, these cats need: a quiet and safe place, an experienced adopter (or foster) to continue working with them as they get more comfortable with humans, and a cat buddy to help them feel more confident. **MANDARIN** prefers to hang out with his buddies rather than with humans, so it's imperative that he be adopted into a home with another cat.

- ◆ 4 years old, brown tabby, neutered
- ◆ INTAKE: 5/15/2023
- ◆ Often hiding under the bench
- ◆ May be comfortable with humans given plenty of time
- ◆ Usually seen with his buddies
- ◆ Great with other cats; Unknown around dogs; Not recommended for young children

The adoption fee is **WAIVED** for **MANDARIN** and **ALL Desperate Housecats!**
