

DESPERATE HOUSECAT MARBLE A846472

Have a lap handy? **MARBLE** loves a good lap. He was brought to AAC as a stray, dehydrated and very thin. Even though he wasn't feeling well after his arrival, **MARBLE** was friendly and sweet, and didn't mind being picked up and held. He's a little shy at first, but warms up very quickly. **MARBLE** enjoys being petted, and seems to be comfortable with humans. We don't know if he gets along with other cats or dogs, but we think he'll be good with children.
